Feature Checklist

Graduate Student Lifecycle Monitoring and Analytics Platform for the University of St. La Salle Graduate School - Capstone group CAP-2521-IT. Version checked: demonstration site with sample data only (no real student records).

How to use: for each feature, open the screen named in "Where to see it" (or watch the team's demo videos) and tick Yes if the feature is there and works, No if it is missing or does not work. Write any comment in Remarks. Testing in depth is done separately with the UAT form.
