FORMS ROUTING GUIDE

Who files, who reviews, who decides and where each form goes next

Form code	GS-P-02	Revision no.	00	Effectivity date	

Read across a row to follow a form. The last column names the step of the Graduate Student Lifecycle Monitoring platform that records the same event, so the paper form and the platform always show the same facts. Where the Handbook or the Research Protocol states a rule, it is cited on the form itself.
